Features:

- Drawing possible with chalk / chalk markers (not in the scope of delivery)
- Easy cleaning of the drawing surface
- Wall holder (in the scope of delivery)
- May be mounted vertically or horizontally
- Drawing surface coated with black synthetic resin
- Wooden frame painted to teak colour
- For indoor use

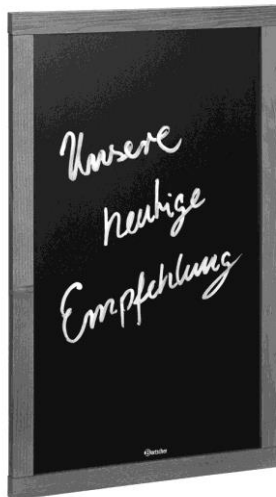

Fixing of holder

1. Take out the blackboard and accessories from the package and remove packaging material.
2. Use the enclosed nails to fix the holder to the blackboard.
3. Hang the blackboard in a suitable place, on a tap screw or nail fixed to wall.
4. The board, if needed, may be hung vertically or horizontally.

Drawing on a board

- Use chalk or chalk markers to draw on the blackboard. Later on, marks are easily erasable from the drawing surface with the use of a moist cloth; the board is again ready to draw pictures and write.

Cleaning and storage

- Wipe the blackboard with a soft, moist cloth.
- **Never** use cleaning agents which might scratch the surface of the blackboard.
- When not in use, store the blackboard in a dry place.
