 - ✓ Dimensions of grill surface: W 380 x D 500 mm
- ▶ Includes
 - ✓ Lava stones for first filling
- ▶ Set to natural gas E
 - ✓ Propane nozzles are enclosed

Description

This lava stone grill from Series 700FX is extremely flexible. It can be used as a table-top appliance or, in combination, as a floor-standing appliance. The advantages of a lava stone grill over a charcoal grill are obvious: Because the lava stones hold heat, they save on energy. Fuel consumption is lower and the preparation of the grilled food is practically smoke-free.
