

## Crêpe maker 2CP400

- ▶ 2 crêpe plates
  - ✓ Diameter, each: 400 mm
  - ✓ Material: Cast iron, teflon-coated
  - ✓ Can be switched and regulated separately
- ▶ Includes
  - ✓ 1 dough distributor
- ▶ 2 On/Off switches
  - ✓ 2 separate sockets required

### Description

The high-performance cast iron crêpe plates stand for good thermal conductivity and durable design. They can also be switched separately therefore allowing needs-based and independent usage.

### Features

- |   |                                 |
|---|---------------------------------|
| • Material:                                 | Stainless steel                 |
| • Operating mode:                           | Electro                         |
| • Number of crêpe plates:                   | 2                               |
