Intended Use

As described below, every use of the appliance for a purpose differing and/or diverging from its intended standard use, is prohibited and considered to be an unintended use.

The following is an intended use:

- For transportation of thermo transport containers GN110-1 and GN110-12

Using the Transport Trolley

1. Unpack the transport trolley and remove the entire packaging material.
 2. Secure the transport trolley with lockings of swivel casters before you put the thermo transport container on it.
 3. Place the thermo transport container on the transport trolley's frame.
- The turned edges prevent the slipping of thermo transport containers.

4. If needed, secure the transport trolley against tipping.
5. Release the lockings of the swivel casters, and then move with the transport trolley.

Cleaning

1. Clean the transport trolley with a mild cleaning agent and a soft cloth. Dry it at the end.

For cleaning, do not use any scouring agents, containing solvents nor corrosive cleaning agents, as they may damage the surface of the transport trolley.
