PRODUCT DESCRIPTION:

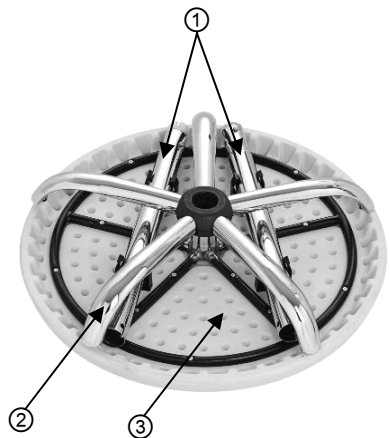

Name:	● Party-Bistro table
Code-No.:	● 601177
Dimensions:	● Tabletop: Ø 700 mm Height: 1170 mm
Base:	● Chrome steel
Connecting segment:	● Chrome steel
Weight:	● 8.5 kg

PROPERTIES

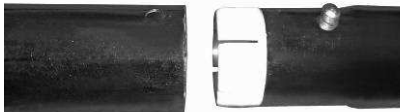

- **Tabletop of artificial materials:** polyethylene surface, stain resistant and easy to wash;
- **Stopper system** offers stable and secure setup of the bistro table;
- Resistant to UV rays;
- **Efficient storage and easy transport:** all elements can be contained underneath the table surface.

ASSEMBLY OF BISTRO TABLE:

- Unpack the unit and remove packing material.
- Remove all elements from underneath the tabletop (connecting segments ① and table supports ②).
- Place the base ③ on the floor.

- The connecting elements are made of artificial materials and strengthen the stopper connections.

- Place one connection segment ① inside the other by holding down the button on one and sliding it into the other so that the two segments lock.

- Place the joined segments ① in the stopper connection ② at the base using the additional elements made from artificial materials.
- Next, place the tabletop ③ on the base ② using the connection segments ①.

CAUTION!

Prior to using the bistro table, ensure all connections are properly inserted!

- Disassembly is done following the above steps in reverse order.

WARNING!

Actions not in accordance with the following warnings may lead to bodily injury or damage to goods:

- **Never stand on the bistro table.**
- **Never place hot objects directly on the bistro table.**
- **Keep the bistro table in a horizontal or vertical position, on a flat surface. To not place other objects on a stored table.**
